## WHITENING FOR LIFE PROGRAM

We feel that every patient in our practice deserves to have a smile they can be proud of. We are excited to offer our patients a unique program we call Whitening for Life. When you come to our office for preventive exam, x-rays, and hygiene maintenance, we will provide you with bleaching trays and whitening materials for a one-time fee of \$99.00. Following each recommend preventive visit, we will give you a complimentary touch up syringe of bleach gel.

Because it is our goal that our patients to have healthy teeth and gums for a lifetime, before you can take advantage of **Whitening for Life**, you must complete the minimum necessary dental care as recommended by Dr. Miller.

You must keep your recommended preventive visits current. Your long-term dental health is as important to us as it is to you. Our patients have found that these preventive visits help greatly reduce emergencies and lessen the chances of costly restorative treatment as a result of dental problems not caught early on. That is why we are happy to provide this extra bonus for our patients who are committed to their dental health.

In order to provide exceptional services like **Whitening for Life** to all of our patients, we ask that you give us the courtesy of advance notice for schedule changes. If you need to cancel or change an appointment, please provide at least 48 hours notice.

**That's it!** To remain in the program, all we ask is for you to maintain good home care, come in for regularly scheduled preventive care at the Dr./Hygienist diagnosed intervals and avoid missed appointments.

Simply read and fill out the Teeth Whitening for Life contract below, and call our office for an appointment today. We look forward to hearing from you.

I \_\_\_\_\_ hereby certify that I agree to the terms and conditions outlined above. I understand that Whitening for Life is a privilege only provided for individuals who meet qualifications and remain committed to their dental health.

I agree that if I fail to follow any of the above patient responsibilities the results may be termination of the whitening for life program.

MJM Dental retains the right to review each patient's program, and we are able to stop the program enrollment at anytime if deemed necessary.
